I am very happy to announce the appointment of Dr. Richard DiDio, Associate Professor of Mathematics and Computer Science to the position of Associate Dean for the School of Arts and Sciences, effective July 21, 1997.

I want to thank the advisory committee who assisted me in making this decision by reviewing the credentials of the candidates, interviewing them, and weighing their credentials against the requirements of the position. These were: Dr. Richard Goedkoop, Director of the Graduate Program in Professional Communication; Dr. Nancy Jones, Chair of the Chemistry Department, Mr. Harry McManus, and Ms. Julie Valenti, the Assistant Deans. I am very grateful for their help and generous contribution of time in this process. I am also grateful to those candidates, who came forward in this search with a spirit of dedication to service in the School and to La Salle.

Please join me in welcoming Rich to this position.

Campus Ministry Center

TO: MEMBERS OF THE LA SALLE UNIVERSITY COMMUNITY
FROM: BR. CHIP, SR. PEG
DATE: Tuesday, June 24, 1997

We wish to take this opportunity both to offer thanks and best wishes to Fr. Frank Berna, OFM, as he moves to another position of service within the community as Director of the Graduate Religion Program. The impact he has had on the community makes it difficult to believe that he was a member of Campus Ministry for only a single academic year. His talent, compassion, experience and fullness of spirit were freely shared with the community not only in his role as presider and preacher, but as colleague and friend to all with whom he came into contact. While we will miss our daily contact with him in his role as minister, we are happy that the university will continue to benefit from the presence of someone who so clearly understands and embodies the ideals of Lasallian education at its best.

RE: City As Classroom Funding Applications

Applications for City as Classroom funding for the Fall, 1997, Semester, may be submitted until Friday, August 1, 1997. A copy of the application is on the reverse of this notice.

The Council of Deans has adopted the following statement of purpose and guidelines for evaluation of applications for the program:

Goal: to facilitate the use of the resources of the Greater Philadelphia Metropolitan area in the educational experience of students.

Guidelines for funding evaluation:

1. Priority will be given to funding for undergraduate classes.
2. Priority will be given to funding for activities that will not be available in future semesters (*e.g.*, a special exhibit at a museum, a concert or play and so forth).
3. Priority will be given to discrete events rather than underwriting continuing costs of student participation in activities required by a course.
4. The number of participants can be given priority in decisions on funding.
5. Funding of admission costs will be limited to \$12.00 per person.
6. When transportation is involved, the first choice is University-owned vehicles. If that is not feasible, rental must be arranged through the University's Purchasing Office.

Thank you.
